INTRODUCTION

Recognizing that the La Crosse County Development Plan and individual municipal comprehensive plans must reflect the people it serves, La Crosse County intends to encourage citizen input throughout the development of the Countywide Comprehensive Planning Process. For the purposes of this document, the La Crosse County Development Plan and participating municipal comprehensive plans will be referred to jointly as the La Crosse County Comprehensive Plan. The public participation procedures must provide for a broad dissemination of proposals and alternatives, public meetings after effective notice, opportunity for written comments, communication programs, information services, provisions for open discussion and consideration of and response to public comments. These enhanced procedures augment the minimum public notification requirements required by law. La Crosse County's Public Participation Plan forms the basic framework for achieving an interactive dialogue between local decision makers, County staff, the planning consultant team, and the citizens of La Crosse County. This report outlines the public participation strategy for soliciting public review and input for the development, evaluation and eventual adoption of the La Crosse County Comprehensive Plan. The creation of the Public Participation Plan is the first step in meeting the requirements of Wisconsin's Comprehensive Planning and "Smart Growth" Legislation (1999 Wisconsin Act 9 and AB 872 Technical Changes). This Public Participation Plan will apply throughout the local planning process leading to the adoption of the La Crosse County Comprehensive Plan.

OBJECTIVES FOR PUBLIC INVOLVEMENT

The following is a list of objectives for public participation that La Crosse County would like to achieve throughout the development and subsequent adoption of the La Crosse County Comprehensive Plan:

- That all residents of La Crosse County become fully aware of the importance of participating in the development of the Plan.
- That the public participation process is designed to engage people of all races, ethnic backgrounds and income levels.
- That the public has opportunities to provide their input (both formally and informally) to the County, their local Plan Commission and local governing body.
- That the public has access to all technical information and any analyses performed throughout the planning process.
- That members of the County and participating municipalities (see attached list) have input from the broadest range of perspectives and interests in the community possible.
- That such input is elicited through a variety of means (electronic, printed, and oral) in such a way that it may be carefully considered and responded to in a timely fashion.
- That this process of public involvement strengthens the sense of community present in the municipalities of La Crosse County and furthers the vision of active and positive participation by all aspects of the community in the decision making and civic life of the municipality over the long term.

RESPONSIBILITY FOR IMPLEMENTATION

Various County departments and participating municipalities' administrative bodies have certain responsibilities for implementation of the public participation process and achieving the above objectives.

- Board of Supervisors of the County of La Crosse
- La Crosse County Executive Committee
- La Crosse County Planning Resources and Development Committee
- La Crosse County Regional Economic Development Strategic Action Committee
- La Crosse County Zoning, Planning, and Land Information Department
- La Crosse County UW-Extension
- Participating Municipalities Governing Bodies
- Participating Municipalities Plan Commissions

Each body shares the responsibility for implementing this plan and employing other methods that enhance public participation during the countywide comprehensive plan process. Ultimately, it is the Board of Supervisors of the County of La Crosse and the municipality's local governing body who will decide on the direction and content of policy documents and regulations that they deem to be in the best interest of the municipality and the County as a whole.

DOCUMENTATION OF IMPLEMENTATION

As part of the documentation necessary to satisfy the requirements of the "Smart Growth" Legislation as it relates to public participation, the La Crosse County Planning Department will maintain a chronology of meetings, presentations, notices, exhibits, and similar public outreach efforts made at the county and sub-area planning group levels. Participating municipalities will be expected to document all comprehensive plan related meetings and public outreach efforts at the local level. A chronology of past County public participation activities are outlined in the following section.

PAST PUBLIC PARTICIPATION EFFORTS

- January 2003 1st Annual La Crosse County Collaboration Conference, Cleary Ctr., La Crosse
- December 2003 2nd Annual La Crosse County Collaboration Conference, Cleary Ct. La Crosse
- First County Board Planning Informational Meeting
- County Board's First Policy Planning Meeting.
- County Board 2nd Policy Planning Meeting.
- Additional Policy Planning Meeting Regarding Comp Plan Update
- November 16, 2000 "Smart Growth in La Crosse County" presented to Leadership
- Local Elected Officials Informational Meetings

- January 16, 2001 Presentation at Area Wisconsin Towns Association Land Use
- 3rd County Board Planning Meeting
- April 1, 2004 Comprehensive planning articles in the La Crosse Tribune
- Association Meeting, (West Salem Village Hall, West Salem, WI)
- October of 2003 initiation of County Comprehensive Planning Web Site
- Town of Shelby public Part. Activities, October , 2004
- Update of Comprehensive Planning, Farmington – Public Informational meetings, Jan. 2005
- Towns of Bangor, Washington, Medary, Holland, Hamilton, Board meetings: October 2004 – April 2005
- Intergovernmental Cooperation Element Draft Meetings in the City of Onalaska, Village of Holmen and Town of Onalaska, Fall 2004
- Speaking to Univ. of Wisconsin La Crosse public administration classes, and receiving feedback on County planning issues, Fall 2003.
- Work with community youth initiative, high school students from 8 area high schools Jan – April 2005
- Disposable camera surveys, Jan – April 2005
- Press releases February 2003 – May 2005
- Public radio coulee connections radio broadcast February 2005

Planned Public Participation Activities:

- July 13-17, 2005 Booth at the La Crosse County Fair
- Neighborhood associations meetings and input
- Fact sheets - Handouts
- Quarterly List-serve newsletter
- Meeting with Builder's Association, Realtor's Association, Chambers of Commerce to get business perspective on planning activities.
- Stakeholder interviews
- Planning Resources and Development Committee Updates
- County Board Informational Meetings

PUBLIC PARTICIPATION GUIDELINES

General

The main goals of the Public Participation Plan are to make all the citizens of La Crosse County aware of the progress of the Countywide Comprehensive Planning Process occurring in the County and to offer the public opportunities to make suggestions or comments during the process. To reach these goals, La Crosse County has adopted the following plan to encourage public participation through the remainder of the planning process. Taken individually, the activities described in this plan are not expected to reach and inform each and every resident of La Crosse County. Collectively, however, the plan activities are designed to effectively and efficiently provide a broad-based dissemination of information and maximize the opportunity for citizen involvement and comment. The majority of the public participation activities will center around public information, education, and input, and will occur at the Comprehensive Plan Sub-Area Planning Group (Map 1) or municipality level through a series of public meetings. Public meetings, workshops, and open houses provide opportunities for the public to openly discuss comprehensive planning issues with local decision makers, County staff and the hired planning consultant. Formal public hearings will also be conducted as part of the plan adoption process to allow public testimony to be made regarding the La Crosse County Development Plan and participating municipalities' individual comprehensive plans. During the Countywide Comprehensive Plan Process, every effort will be made to ensure that public meetings are held at one or more public locations central and convenient to all citizens of La Crosse County. Other public participation activities will be explored to inform and receive input from residents that may not be able to attend these public meetings and hearings.

Provisions for Open Discussion:

La Crosse County and participating municipalities will ensure that public meetings allow for an open discussion of the relevant issues at hand and that public hearings allow for appropriate testimony. When public meetings or hearings are conducted, La Crosse County and participating municipalities will make every effort to ensure those who choose to participate in the planning process have the opportunity to actually have their opinions heard. To accomplish this, the following actions will be implemented:

- An agenda will be established that clearly defines the purpose of the public meeting or hearing, the items to be discussed, and any actions that may be taken.
- The scheduled date, time, and place will be convenient to encourage maximum participation by La Crosse County residents.
- A clearly identifiable facilitator or chair will conduct the meeting or hearing in an orderly fashion to ensure that all attendees have an opportunity to offer comments, discuss issues or provide testimony.
- The facilitator or chair will provide opening remarks that clearly outline the purpose of the meeting or hearing, describe procedures attendees should use during the meeting or hearing when offering input and describe how the public input will be used.
- As appropriate, an overview of documents or proposals to be considered will be discussed.
- All persons attending the meeting or hearing that desire to participate should be allowed to do so. However, specific factors, such as the meeting or hearing purpose, number in attendance, time considerations, or future opportunities to participate, may require that appropriate constraints be applied. These constraints will be clearly outlined by the facilitator or chair if the need arises.
- All attendees will be encouraged to sign in using a provided sign in sheet.
- Meetings and hearings will be tape recorded and/or videotaped by the County or municipality.

- Summaries or minutes of meetings or hearings will be transcribed from the aforementioned recordings and made available as soon as possible following the meeting or hearing through mailings or via the County's Comprehensive Planning website. <http://www.co.la-crosse.wi.us/ComprehensivePlan>
- Special arrangements will be made under the provisions of the Americans with Disabilities Act (ADA) with sufficient advance notice.

Opportunity for Written Comments

Detailed comments can most often be better expressed through written format. To encourage the citizens of La Crosse County to express written comment throughout the planning process, the following steps will be taken:

- All meeting and hearing notices will include the name, address and email address (if applicable) of a person(s) to whom written comments should be sent, along with any deadlines for submitting comments.
- At public meetings or hearings, the facilitator or chair will clearly announce any deadline for submitting written comments, if such comments are allowed subsequent to the meeting or hearing.
- Persons speaking or testifying will be encouraged to concisely express their comments and provide specific details in written format.
- The La Crosse County Comprehensive Planning Internet website <http://www.co.la-crosse.wi.us/ComprehensivePlan> will also provide residents with the opportunity to E-mail comments.

Consideration of and Response to Public Comments

The various methods for involving the public and soliciting public opinions and comments during the Countywide Comprehensive Plan Process are defined herein. These methods represent the initial steps for bringing public comment into the decision making process. The following steps will be taken to ensure that public recommendations and comments are taken into consideration by the decision makers when developing the Countywide Comprehensive Plan:

- Time will be reserved subsequent to the close of a meeting, hearing or comment deadline and prior to the actual decision or recommendation being made to ensure that decision makers can adequately review all relevant materials or comments.
- Decision makers may reconvene a public hearing for the purpose of addressing public comments.
- The record (written comments or testimony, tape recordings, or transcripts) of hearings and meetings will be compiled by County or municipality staff and made available to decision makers for their review and consideration prior to a recommendation or decision being made.
- Substantive comments pertaining to studies, analyses, or reports, along with appropriate responses, will be included in the published documents itself.
- Relevant comments or testimony will be addressed through the findings-of-fact portion of the decision maker's written decision or recommendation.

PUBLIC PARTICIPATION PLAN

Public Meetings and Workshops

Elected Officials/Comprehensive Plan Contact Meetings

County staff will continue to conduct meetings with the chief elected official and/or comprehensive plan contacts of each municipality (or their designee) to present cost information, updates, and technical information concerning the Countywide Comprehensive Plan Process. These meetings will be designed to give local elected officials and comprehensive plan contacts the opportunity to ask questions and gain a better understanding of the process and the implications of growth management for their jurisdiction, and to discuss the issues with other public officials in the same position. Time and place of these meetings will be determined as the plan development proceeds. The County will make final arrangements for accommodations for these meetings and provide summaries of each meeting to those who attend. Updates may also be given at the annual Joint Towns Association meetings in July. Municipality Comprehensive Plan Sub-Area Planning Groups Meetings, Open Houses & Workshops

Participating municipalities will be broken into smaller Sub-Area Planning Groups (Map 1) which will hold public meetings and workshops to assimilate information collected at the municipal level about the sub-area and relevant to the Nine Elements of a Comprehensive Plan as currently defined by the State. These sub-area planning groups will be composed of at least two plan commission members from each participating municipality. However, it may be in the best interest of the municipality for the entire plan commission to attend these meetings. It is preferred that one of these members also serves as the contact person to the County throughout the Countywide Comprehensive Plan Process. This contact person will attend any informational meetings held by the County throughout the comprehensive planning process and will also be responsible for bringing any information collected at the County Informational Meetings and Sub-Area Planning Group Meetings back to their municipality's public meetings and plan commission meetings. These meetings are also open to the public.

Municipality Public Meetings and Plan Commission Meetings

The majority of opportunities for citizen participation will be provided at the municipal level. Through municipality public meetings and plan commission meetings, residents will be able to become an instrumental part of their community's planning process. By participating in meetings and workshops, citizens can aid their elected officials and plan commission members in creating a vision statement for their community's comprehensive plan. Interested citizens can also become involved in the planning process as members of their community's plan commission. Plans created at the municipal level will be used as building blocks to build the County Development Plan.

Interviews with Local Municipality Representatives and Stakeholders

During the first phase of the planning process, the County will invite local representatives and individual municipality stakeholders from a list provided by the municipality to meet individually with members of the consultant team. During these interviews the consultant team will elicit concerns and ideas from each community and begin to build personal contacts at the municipal level.

Meeting/Hearing Notices

Official meeting notices will be prepared for any public meeting or hearing conducted pertaining to the Countywide Comprehensive Plan Process. All public hearings held by the County and local plan commissions must comply with applicable notice requirements of the Wisconsin Open Meetings Law, statutes governing procedures for plan commissions, Department of Natural Resources rules for shoreland, wetland and floodplain zoning matters, and any other notice requirements imposed by local ordinance or bylaws. At a minimum, the requirements of §19.31 pertaining to public meetings and notification will be met. La Crosse County Planning Staff or municipality staff will place meeting notices in appropriate newspapers, based on the location of the public meeting or hearing. In all

cases, notices will be placed in the County's official paper, currently the La Crosse Tribune, for each County organized meeting. Notices of countywide importance will be placed in the La Crosse Tribune, Coulee News and Onalaska Life. It is recommended that any meeting notices be published at least one week prior to the meeting. All meeting or public hearing notices conducted by the County will also be posted on the La Crosse County Web Internet Site. <http://www.co.la-crosse.wi.us/ComprehensivePlan>.

The following information should be included in any notice:

- Name of the governmental body that will meet.
- Date, time and location of the hearing.
- Name of the applicant, appellant or petitioner.
- Location of land involved.
- General description of the proposal, application or petition.
- Subject matter, statutory authority (recommended) and notice of any anticipated closed session and any intent to reconvene in open session within 12 hours after completion of a closed session (§ 19.85(2), Wisconsin Statutes).
- Notice that interested persons may present testimony regarding matters on the agenda at the meeting/hearing or in writing to the board prior to a deadline.
- Contact information for further information about the proposal or application.

All governmental units must place a Class 1 notice at least 30 days prior to a hearing for comprehensive plan adoption or amendments (§ 985.07 and 985.01(1), Wisconsin Statutes). A Class 1 notice is one newspaper publication at least one week before the act or event (§ 985.07 and 985.01(1), Wisconsin Statutes). Public hearings held by the local plan commissions regarding ordinance adoption or amendment require a Class 2 notice according to state statutes. A Class 2 notice consists of two newspaper publications, at least once each week for consecutive weeks, the last at least one week before the act or event (§ 985.07 and 985.01(1), Wisconsin Statutes). Newspaper publications must be in the municipality's official newspaper or, if no official newspaper is designated, in a newspaper likely to give notice in the affected area (§ 985.03 and 985.05, Wisconsin Statutes). Notice of any proposed ordinance amendments within three miles of an airport must also be sent to the owner or operator of the airport (§ 59.69(5)(e)5m, 62.23(7)(d)2 and 62.23(6)(am), Wisconsin Statutes).

Newsletter Mailings

La Crosse County will use the "Planning Perspectives" (a quarterly newsletter developed by County and UW-Extension Staff) to inform interested residents about comprehensive planning and other issues related to the "Smart Growth Initiative." The newsletter will also be used to keep residents and local officials updated on the Countywide Comprehensive Plan Process in La Crosse County. The newsletter will be list-serve e-mailed to local officials, plan commission members and other interested citizens (an e-mailing list has been developed). The newsletter will also be available for view on the Planning Department's Comprehensive Planning website through the La Crosse County Internet Web Site <http://www.co.la-crosse.wi.us/ComprehensivePlan> and the UW-Extension La Crosse County website [http://www.uwex.edu/ces/cty/la Crosse/cnred.html](http://www.uwex.edu/ces/cty/la%20Crosse/cnred.html). Each newsletter will include a list of contacts from whom citizens and local officials can gain additional information and an address or e-mail address where comments can be sent.

La Crosse County Comprehensive Planning Internet Web Page

La Crosse County's current homepage (<http://www.co.la-crosse.wi.us/ComprehensivePlan>) has been supplemented with a link under the information button to a page regarding Comprehensive Planning efforts in La Crosse County. The Comprehensive Planning web page will include topics related to Wisconsin's "Smart Growth Initiative," the Countywide Comprehensive Plan Process, a list of participating municipalities, drafts of plan elements, meeting and hearing agenda's and minutes, a list of contacts, and will also include an e-mail address so that viewers can submit comments or place their name on a mailing list to receive further information. The La Crosse County Planning Department has developed this web page and will perform periodic updates to keep the web page current. Ultimately, the La Crosse County Development Plan and individual participating municipalities Comprehensive Plans could be placed on the web. As maps are developed for the Plans, they may also be placed on the Web Page.

La Crosse County Fair Exhibit

The La Crosse County Planning Department and UW-Extension will set up an exhibit at the La Crosse County Fair at West Salem from July 13 – 17, 2005. County Planning Department staff will be available throughout the week to answer fair participants' questions. The La Crosse County Fair is an annual event. To continue to increase citizen participation and awareness, future exhibits could be displayed at future County fairs held during the Countywide Comprehensive Plan Process.

Community Displays

The exhibit displays prepared for the fair and others developed during the course of the project could be placed on permanent display at the La Crosse County Courthouse, or could be placed for a short period of time at a number of public locations throughout the County, such as libraries, the Valley View Mall, town/village/city halls or other public meeting places.

Mailing Lists

As public participation proceeds, interested citizens will have opportunities to place their name on a mailing list to receive additional information regarding the planning process via direct mail or e-mail where applicable. The County will compile and maintain this mailing list. Names to be included on the mailing list will originate from meeting and hearing sign-in sheets, written correspondence, recognized community organizations, as well as through individual requests. This list will be used for newsletter circulation, special mailings, and notices as appropriate.

Periodic Articles

As the public participation process proceeds, interested citizens and community leaders may request more detailed information on land use related topics than that desired by much of the general public. To provide more detail to those citizens and key officials showing an interest in specific growth management topics, articles will be prepared from time to time by County or UW-Extension staff. These articles may be included in an issue of "Planning Perspectives" or a community's newsletter, sent directly to members of the mailing list or sent to local newspapers.

Potential topics may include:

- Urban Growth Areas
- Land Use Classification
- Economic Development
- Rural Lands
- Transfer of Development Rights

Cable Television and Radio Programs

Throughout the Comprehensive Plan process, the consultant team, County and or participating municipalities may utilize cable television or radio call-in shows to discuss the project and the plans as they stand at that point in time.

Planning Document Dissemination

Documents such as reports, plans, technical memoranda or environmental reviews that contain or describe proposed plans, policies, maps, or regulations will be made available for public review. Such documents will be made available at least 10 (ten) calendar days prior to any public meeting or hearing scheduled for their discussion or a decision.

Documents may be disseminated as follows:

- Digital versions may be posted on the La Crosse County Comprehensive Planning and “Smart Growth Initiative” website. <http://www.co.la-crosse.wi.us/ComprehensivePlan>
- Hard copies will be delivered to the La Crosse County Library-Holmen Headquarters and will be available through inter-library loan through the branch libraries located throughout the County listed below.
- Hard copies will be delivered to each municipality’s chief elected official and/or key staff.
- An additional copy will also be delivered for placement at each municipality’s town/village/city hall for citizen review.
- Hard copies will also be available for review at the La Crosse County Planning Department, 400 4th Street N, La Crosse, WI 54601 during normal business hours.
- Hard copies will be made available to the public for the cost of reproduction through the La Crosse County Planning Department, as listed above, (608) 785-9722 during normal business hours.
- Meeting and hearing notices will state the availability and location of documents.

Public Hearings

Once the Final Draft La Crosse County Development Plan and Individual Municipal Comprehensive Plans are complete, the La Crosse County Planning Department with assistance from the planning consultant team and participating municipalities, will conduct a series of public hearings to receive public comment on the proposed Plan. As plan development progresses, a schedule for these meetings will be prepared.

Hearing Notices

La Crosse County will place legal notices of hearings in the County's official paper, currently the La Crosse Tribune. Hearing notices will also be placed in other local newspapers throughout the county as related to the geographic area affected. These may include but are not limited to the Coulee News and Onalaska Life. Municipal hearings will be placed in the municipality's official paper of record or, if no official newspaper is designated, in a newspaper likely to give notice in the affected area (§ 985.03 and 985.05, Wisconsin Statutes). Notice of any proposed ordinance amendments within three miles of an airport must also be sent to the owner or operator of the airport (§ 59.69(5)(e)5m, 62.23(7)(d)2 and 62.23(6)(am), Wisconsin Statutes).

Hearing notices will be published as required by state law and County/Municipality policy.

All governmental units must place a Class 1 notice at least 30 days prior to a hearing for comprehensive plan adoption or amendments (§ 985.07 and 985.01(1), Wisconsin Statutes). A Class 1 notice is one newspaper publication at least one week before the act or event (§ 985.07 and 985.01(1), Wisconsin Statutes).

The following information should be included in any notice:

- Name of the governmental body that will meet.
- Date, time and location of the hearing.
- Name of the applicant, appellant or petitioner.
- Location of land involved.
- General description of the proposal, application or petition.
- Subject matter, statutory authority (recommended) and notice of any anticipated closed session and any intent to reconvene in open session within 12 hours after completion of a closed session (§ 19.85(2), Wisconsin Statutes).
- Notice that interested persons may present testimony regarding matters on the agenda at the meeting/hearing or in writing to the board prior to a deadline.
- Contact information for further information about the proposal or application.

COUNTYWIDE COMPREHENSIVE PLAN ADOPTION PROCESS

La Crosse County and participating municipalities will follow the procedures for adopting the comprehensive plan as listed in § 66.1001, Wisconsin Statutes (Comprehensive Planning). The first step in the adoption process is being met by the adoption of this document which details written procedures that are designed to foster public participation throughout the Countywide Comprehensive Plan Process.
