REAFFIRMATIONS FOR GROUP 1 – JANUARY ELECTIONS

Group 1 is up for reelection. Group 1 consists of State/Local Officials, Shilling, Burke; Firefighting/First Aid, Cleveland; Local Environmental, Marc Schultz; Transportation, Keith Carlson; Community Groups, Vanderbush, Losby. If there is anyone who doesn't want to be on the Committee please advise us. If not, we will reelect you in January. Pat will give Keith Carlson a call to see if he would like to continue on the Committee.

HMEP Grant

We closed out the HMEP grant for GIS enhancements to our Off-site plans. We applied for another grant that would extend the work to complete the plans we didn't do in the first round. This would include meeting with neighboring communities as some of the vulnerability zones flow into the other. Plus add some enhancements including special facilities, schools, day cares, etc. The budget is about \$10,000. We have also heard from a U/W La Crosse student who would like to work with us also as an intern. The application is written as an LEPC project. Keith showed some screen prints of what the mapping looks like. We should try to work with Tri-State and share this information with them also.
