2009 ANNUAL REPORT:

Chris presented the Board with copies of the Annual Report. The report was not quite complete but the deadline to submit it was February 15 which is before the next board meeting. Loren will sign it when the last two blanks are filled in.

Fred suggested that there are many grants available through the Winding Rivers Library System and WRLS should be applying for them. He also feels that since most of the WRLS libraries use the same

system for managing their collection that WRLS should own the software. He feels that the fact that La Crosse Public Library owns the software does not present a level playing field for the rest of the system. He also feels it is not right that membership fees from the libraries to WRLS have gone up but the services WRLS offers to the libraries have declined.

Motion by Barbara Manthei/Fred Marini to approve the annual report and the suggestions made by Fred be included in the comments section. **MOTION** carried unanimously.

CLOSED SESSION:

Loren Caulum is a member of the WRLS board and gave the following information:
At the February meeting the officers from 2009 were re-elected for 2010. Loren retained his position as Vice-President. The annual report was presented and approved. The purchase of a copy machine for \$5300 was approved.
