OFFICIAL BUSINESS

Matthew Strittmater handed out an acronym guide to members. He stated the CCS supervisor position is still vacant. CCS is in the process of being recertified. This needs to be completed annually.

MHRS 2012 OBJECTIVES

Matthew reviewed a handout showing the Human Services goals for 2012-2013 and what MHRS's objectives are.

MHRS UNIT PRESENTATION – OUTPATIENT MENTAL HEALTH CLINIC

Jen Timm shared a PowerPoint presentation explaining the staff roles in MHRS. This position will follow up with people who are starting to fail their appointments. Jen also gave a brief description of the new outcome tool being used called Outcome Questionnaire 45, or OQ-45. This tool consists of 45 questions that are asked when someone enters the Triage Clinic. The questions will be re-asked during the course of treatment to help determine if progress is being made. The hope is to have the outcome measure drop 14 points at the time of the 90-day review in 50% of the cases. MHRS has been piloting this since September.

ITEMS FOR FUTURE AGENDAS

Next month's topic will include a discussion on the case management system. Vicky Crews will discuss the equine assistance program that is offered.
