HOUSEHOLD HAZARDOUS MATERIALS COLLECTION

Many products you use in your home and yard contain hazardous materials. Improper disposal of these products can cause fires, serious injuries to people and animals, and groundwater contamination.

This guide will help you identify hazardous products in your home.

Keep your home safe by properly disposing of hazardous products.

GARAGE & WORKSHOP	
Acetone	H
Artist's paint & media	H
Antifreeze	H

Household Hazardous Materials Drop-Off Site Hours
<p><u>Monday</u> - 11:00 AM-4:00 PM</p> <p><u>Thursday</u> - 9:00 AM-4:00 PM</p> <p>By Appointment Only Call (608) 785-9999</p>
<p><u>Tuesday</u> - 8:00 AM - 4:00 PM</p> <p><u>Wednesday</u> - 10:00 AM-6:00 PM</p> <p>No appointment needed</p>
<p><u>1st & 3rd Saturdays</u> 9:00AM – Noon</p> <p>No appointment needed</p>
Closed Holidays

- ### Proper Disposal
- Call 785-9999 for information on proper disposal of hazardous materials.
 - Give leftover materials such as paint thinner and paint to someone who will use them for its intended purpose.
 - Never pour oil, antifreeze, or other hazardous materials on the ground, into storm sewers, or down the drain.
 - Take hazardous products you cannot use up or give away to the HHM collection site.
 - A product exchange program that provides residents access to **unusable items** is available at the facility.

Directions:

The HHM facility is located at the La Crosse County Landfill Complex. Take State Road 16 East toward West Salem. The Facility is approximately 1 mile East of Interstate 90. The facility is located on the south side of State Road 16. See red star.

Businesses and Non-Residents

Businesses, which qualify as Very Small Quantity Generators (VSQG), can utilize the program for a fee. VSQGs must pre-register and schedule an appointment before bringing materials to the collection facility. Call 785-9999 to receive a pre-registration and VSQG qualification packet.

Non-La Crosse County residents utilizing the program will be assessed a fee and should call for an appointment.
