The accomplishments for our organization are a direct result of a partnership between an involved citizenry and committed La Crosse County Employee Vision and are embraced by our organization.

Employee Vision: Shaping the Future

As La Crosse County Government Employees, we are committed to excellence in our work. We celebrate public service, anticipate changing needs and respect diversity. In partnership with the community, we shape the future.

We inspire integrity, pride, trust and respect within our organization. We encourage employee involvement and creativity as a source of new ideas to continuously improve services.

As stewards of community resources, we embrace the opportunities and challenges of technological advances, evolving demographics, urbanization, revitalization, and the changing role of government.

We commit ourselves to these Guiding Principles:

- Providing Superior Service
- Valuing Our Workforce
- Respecting Diversity
- Communicating Openly
- Building Community Partnerships

As administrative head of the County government, the County Administrator is responsible for the administration of all of the affairs of the County which the Board of Supervisors has authority to control. The Office of the County Administrator plays a key role in: strategic planning, ensuring and valuing excellence in public service, fostering partnerships with our citizens and community leaders, preparing the County's annual budget and executing all resolutions and orders of our elected Board of Supervisors.
