Please complete the table for all parcels under common ownership regardless of whether you are eligible to claim the farmland preservation tax credit on all parcels. Contact your local zoning authority to confirm whether your land is located in a farmland preservation zoning district (FP district). Contact your county conservation department to confirm whether you have a farmland preservation agreement (FP agreement). Attach additional sheets if necessary.

"Eligible acres" does not necessarily include all acres on the farm, though the entire farm must be in compliance with soil and water conservation standards.
