

Large article curbside service (no fee)

First Wednesday of the month: April – October

Due to budget constraints, the bi-weekly service has been changed to once a month – the first Wednesday of each month beginning in April and ending in October.

For your convenience, large items will now be picked-up curbside by Hilltopper Refuse & Recycling. Large item collection dates will be the first Wednesday starting in April and running through October (see calendar). Please note the purpose of the large article service is to assist homeowners in disposing of large items – it is not for large home clean-outs or large remodeling jobs. (To be fair to other taxpayers, you will be required to hire a disposal service or use the La Crosse County landfill service—see below.) NOTE: Hilltopper will be monitoring for any abuse of the system.

Sign-up for service: Although there is no fee for this service, you must call Hilltopper Refuse & Recycling at 783-6727 (toll free 888-783-6727) in advance to have these items collected.

Acceptable items: scrap metal, furniture, mattresses, grills, bathroom fixtures, small amounts of lumber or similar waste and items over 4 feet in length or over 75 lbs.

Items NOT accepted:

- anything that fits in a trash bag (household waste which should be placed curbside)
- anything shorter than 4 feet in length or weighs less than 75 lbs.
- styrofoam packing material
- large amounts of demolition materials (if you are remodeling or create large amounts of demolition materials, it will be necessary to arrange dumpster service)
- hazardous waste including lawn/garden chemicals, gas tanks, sealed containers (see Household Hazardous Waste information)
- moving boxes (call Hilltopper 783-6727 for disposal of moving boxes)

Alternatives: If you are conducting a large clean-out or remodeling job (or if you prefer not to use the curbside service), you may:

1. Call a disposal service and request a dumpster
2. Use the La Crosse County's public drop off site at 6500 Highway 16. They are open Monday through Friday 7:30 am to 3:30 pm (disposal fees are 5¢ per pound with a \$2 minimum).

Televisions and other electronic equipment: contact Hilltopper at 783-6727 to find out the current options

Curbside Service For White Goods (fee involved)

This service is again available every Wednesday for the entire calendar year (not just the large article curbside service dates).

Appliances are collected on Wednesdays by **appointment only**. Call Hilltopper Refuse & Recycling at 783-6727 (toll free 888-873-6727). The **per-item fee (see below)** must be paid to Hilltopper prior to collection.

White goods picked up for \$20: refrigerators, washing machines, stoves, freezers, dryers, dishwashers, sump pumps, air conditioners, central heating/cooling units, heat pumps, street lamps, microwaves, copy machines, some electric motors, furnaces, dehumidifiers, water softeners, hot water heaters. (Save \$20 by taking hot water heaters to Hilltopper. They will recycle as scrap metal.)

Other items picked up for a fee: Camper refrigerators (\$50); Computer equipment (\$25)

Tires:

Car tires:	\$5.00 off the rim	\$7.50 on the rim
Truck tires:	\$10.00 off the rim	\$12.50 on the rim
Tractor tires:	\$15.00 off the rim	\$17.50 on the rim

Other options for white goods:

- * Scientific Recycling at 659 Commerce Street, Holmen, 608-526-9777 (\$15 fee).
- * Runde Metal Recycling at 647 Commerce Street, Holmen, 608-526-9358 (Fee varies or they may pay you for some items).
